**RESPONSE TO DECISION ON REQUEST FOR RECALCULATION OF PATENT
TERM ADJUSTMENT IN VIEW OF WYETH AND NOTICE OF INTENT TO ISSUE
CERTIFICATE OF CORRECTION**

This response is submitted in response to a Decision on Request for Reconsideration of Patent Term Adjustment and Notice of Intent to Issue Certificate of Correction (the "Decision") mailed July 26, 2010 by the Office. The deadline for responding to the Decision is on or before August 26, 2010.

The Decision states that the patent term was determined to be 966 days. On the basis of good faith and candor, Applicant would like to bring to the Office's attention to the 39 days of additional PTA given to Applicant and respectfully requests reconsideration and further recalculation based on the facts provided herein.

Applicant filed an Information Disclosure Statement (IDS) with payment of the Issue Fee on December 2, 2009. In response, the Office mailed an Office communication on December 11, 2009. Under 37 CFR 1.704(c)(10), period of adjustment shall be reduced where applicant submits an amendment under 37 CFR 1.312 or other paper after a notice of allowance has been given or mailed, (i) for the period beginning on the date the amendment or other paper was filed and ending on the mailing date of the Office action or notice in response to the amendment or such other paper. As such, adjustment should have been reduced by 10 days.

Applicant would also like to bring to the Office's attention of the Notice of Appeal and One Month Extension of time filed on March 29, 2007, in response to the Final Office Action dated November 29, 2006. Under 37 CFR 1.704(b), period of adjustment shall be reduced for the period in excess of 3 months taken to reply to any PTO notice or action making any rejection, objection, argument, or other request, beginning on the day after the date that is 3 months after the date of mailing or transmission of the Office communication and ending on the date the reply was filed. Moreover, PAIR records indicate that the Notice of Appeal was filed on March 28, 2007. However, Applicant's records (which include a stamped postcard by OIPE) indicate that the Notice of Appeal was filed on March 29, 2007. As such, adjustment should have been reduced by at least 29 days.

Based on good faith and candor, Applicant hereby petitions the U.S. Patent and Trademark Office for reconsideration of the patent term adjustment calculation to 927 days based on the facts provided herein.

Applicant believes that no fee is required for this submission. However, if any fee is required, please charge the required fee, and any additional fees due, or credit any overpayment of same, to Deposit Account No. 50-0311, Customer No. 64046, Reference No.: 39700-616001US/NC40087US.

Respectfully submitted,
